George Beach Studios is a 3 stars hotel

which is located in a very beautiful and quiet place, Pefki.

Recently we have renovated our rooms which are comfortable and fresh.

All rooms have a view of the mountains and sea.

Large and ample parking

It has a big wonderful garden full in vineyards and fig trees.

Both Lindos and Pefki offer a wide variety of

restaurants, tavernas, bars and even Lindos

has a couple of clubs including one open air.

Our hotel is near the beach Pefki and is ideal for

families or group of friends who are looking

to enjoy a peaceful, relaxing holiday within

easy reach of all the local amenities.

Also, near of our studio, there are mini markets, basic shops.

These areas also offer a selection of lovely

sandy beaches such as Kavos beach which is

5 minutes by foot from our studios and an

excellent spot for swimming and snorkeling

There are some sunbeds and umbrellas

available for hire on the beach.
